

God's Miracles Are Everywhere.

We see and experience miracles as we are open to God's movement in our lives, the church and the world.

God is ready to do miracles through your congregation as you join the Miracles Everywhere Campaign.

Together, the more than 530 congregations in Greater New Jersey will raise \$5.2 million to bring hope to communities, help young people find Christ, support people recovering from disaster and make disciples in Tanzania.

Go the second mile and support the Miracles Everywhere Campaign through your congregation.
